

Martin Blauensteiner is the new Managing Director of SAN Real

Herzogenburg, Lower Austria - Martin Blauensteiner (37) takes over from Peter Kickinger as Managing Director of SAN Real. The real estate and construction company is part of SAN Group.

As of February 1, 2021, Martin Blauensteiner takes over as Managing Director of SAN Real Immobilien GmbH, SAN Real Bau GmbH and Business 33 GPH GmbH. All three companies are part of the global business unit SAN Real Investment of SAN Group. He is the successor to Peter Kickinger, who recently became Chief Finance Officer of SAN Group. Blauensteiner received his in-depth technical education at a technical secondary school in Lower Austria (HTL Hollabrunn) with a focus on power engineering and industry electronics. After his education, he worked on a number of construction projects for several national and international companies, including ABB AG and the pharmaceutical company Baxter. In 2017 he came to Erber AG, where he was responsible for the concept studies for the construction of the new Biomin premix plant in Haag am Hausruck. Additionally, he was responsible for a series of international construction projects for ERBER Group. In September 2020, he became Head of Operations and Engineering at SAN Group, the parent company of SAN Real. Martin Blauensteiner lives in the city of Tulln, Lower Austria with his wife and two children.

SAN Real, a construction and real estate company, is headquartered in Herzogenburg, Lower Austria. Since 2009, SAN Real has planned, constructed, and administered private homes, townhouses, rental apartments and industrial real estate in the region.

www.sanreal.at

SAN Group was founded in 2020 as a carve-out of ERBER Group's Sanphar, bio-ferm and Westbridge and was merged with SAN Real and SAN Pacific Investments. The company currently has approx. 200 employees on 4 continents. In the upcoming years SAN Group will invest in companies with scalable and sustainable business models in the fields of biotechnology, green energy, high tech, and real estate in the upcoming years. SAN Group is owned by Erich Erber.
